The image shows a contemporary living room with a wooden wall and a gold pendant light. A BroadLink smart home hub is prominently displayed in the foreground. A hand holds a smartphone showing a control app interface with various smart home devices listed. The background is filled with colorful icons representing different smart home functions: a yellow icon for a smart plug, a blue icon for a TV, a lightbulb icon, a green fan icon, a pink icon for a smart plug, a purple icon for a smart plug, and a yellow icon for a smart plug. A red tag icon is also visible. The text 'CONTROLA TODA TU CASA DESDE TU CELULAR' is overlaid on the image. The words 'WiFi' and 'RF' are also present, indicating the connectivity options. At the bottom, there are five circular icons representing different smart home devices: a TV, a router, an air conditioner, a camera, and blinds.
